Blackboard 9.1: Student Orientation

The **Student Orientation Course** is **a non-credit course** designed to provide students with information about **Blackboard** and online learning in general. It contains short, interactive video tutorials and other engaging materials.
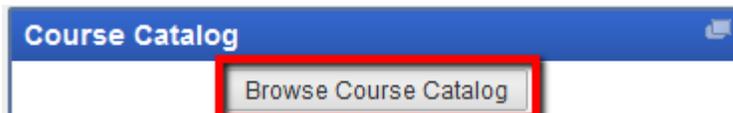

Blackboard 9.1 **(Bb9.1)** also known as **Blackboard Learn, is primarily updated before the beginning of the Fall semester.** All students are strongly encouraged to familiarize themselves with the new features by enrolling in the **Student Orientation Course**. Those who take advantage of the resources provided will be well prepared to navigate the system and use it effectively to manage their learning.
