As a condition of my appointment to serve on one or more search committees in the College/School or Department of _____ at North Carolina A&T State University, I agree to the following:

1. Confidential information includes such items as personnel information provided by candidates with the understanding and intention that it will be used exclusively to determine their fitness for service in the position. Personnel information also includes but is not limited to information derived from documents, correspondence, transcripts, references, interview notes, e-mail or other electronic communications, telephone communications, video conferencing communications, and oral conversations or presentations, either during or outside of committee meetings, with or without the participation of a candidate.

I agree to hold the confidential information of the search committee in trust and confidence, and will not use or disclose it or any embodiment thereof, directly or indirectly, except as may be necessary in the performance of my duties for the search committee, or as required by law. I understand that improper disclosure could be damaging to A&T.
3. I will not remove materials, whether in paper, digital, or other format, containing confidential information from A&T, unless authorized in writing to do so by the chair of the search committee. 4. I agree that if I violate confidentiality, I may be subject to immediate dismissal from the search committee, or legal action or both.

By my signature below, I acknowledge my understanding of this *Confidentiality Agreement*, and indicate my agreement to abide by the conditions described herein.
