ONEID ACCOUNT REGISTRATION
AND PASSWORD RESET PROCEDURE

1. Go to http://oneid.ncat.edu. Review the provided information in its entirety to ensure that you clearly understand all the requirements needed for registering your OneID account and resetting your password. Please note: You must register your account before you can reset your password.

2. Go to https://oneid.registration.ncat.edu to register your account.

3. Enter your current OneID Login (username@ncat.edu) and password. Click Log In

4. Click Next
5. Enter your current password to confirm your identity. **Click Next to Continue**
6. A minimum of 3 of the 10 questions offered are required to be answered in order to register your account, however, you can answer as many as you choose. **MAKE SURE THAT EACH QUESTION HAS A DIFFERENT ANSWER AND EACH ANSWER IS FOUR (4) OR MORE CHARACTERS IN LENGTH.**

Click Next to Continue
7. That’s it! Your OneID is now registered and you are ready to reset your password.

8. To reset your password, go to: https://oneid.reset.ncat.edu

9. Enter your OneID using the following format: username@ncat.edu
   Click next to Continue
10. Answer the three (3) questions presented. (*Be sure to use the same answers you provided when you registered your account*). Click Next.
11. Enter your new password following the requirements listed on the screen. **Click Next**

12. The process is now completed, you have successfully changed your password.

   Ensure that you update your phone, tablet and any computers in which you use your OneID as soon as your password is updated. *Passwords that may need to be updated include: Outlook, Wireless, Blackboard, Aggie Mart, etc.*.

   If you experience any issues with or during the process of registering your account or changing your password, please contact **Aggie Tech Support @ (336)334-7195**.
