How to navigate to Ctrl+Alt+Delete?

- Select Navigation Tab
 - » The tab is to the left, middle of screen. Highlighted and marked 1.
 - Once you select it, the screen looks like the image to the right.
 - » Select icon, which is the Ctrl+Alt+Del command. It is marked 2 in the image to the right.

AGGIES

You are now ready to work.

 After logging in select ok on the "Enable Copy and Paste" message.

 When done working, sign out by right-clicking the window start button, select Shut down or sign out. Select Sign out.

	Search	Sign out
2	Run	Shut down
A Re	Shut down or sign out	Restart
	Desktop	
	· · · · · · · · · · · · · · · · · · ·	

- Navigation Panel
 - Selecting Close to the Disconnected message.
 - » Select the "Open Menu" and "Log out"

Ctrl+Alt+Del
