---	---

**SECTION AP320.1 POLICY STATEMENT**

This policy is revised to bring clarity, consistency, and practical application for establishing an academic minor structured plan of study and for awarding the academic minor to undergraduate students.

**SECTION AP320.2 PURPOSE**

North Carolina A&T State University encourages establishing minor fields of study and officially acknowledge the benefits to students who attain a standard measure of depth, expertise, and knowledge in more than one academic field outside of, or complimentary to, a student’s major.

**SECTION AP320.3 SCOPE**

This policy applies to enrolled degree-seeking undergraduate students and departmental faculty.

**SECTION AP320.4 DEFINITIONS**

- (a) “Major” - represents a degree-seeking student’s primary field of study.
- (b) “Minor” A minor represents an optional, secondary field of study for a degree-seeking student requiring a minimum of 12 credit hours; no student may declare a major and a minor in the same discipline.

**SECTION AP320.5 DECLARING AN ACADEMIC MINOR**

- (a) Degree-seeking undergraduate students who have completed a minimum of 30 semester hours of academic credits with a minimum GPA of 2.0 may elect to declare an academic minor.
- (b) Students wishing to declare a minor should do so in consultation with their academic advisor in the major field of study before consulting with an advisor in the minor field of study.
- (c) To declare a minor, students must obtain the written approval of the department chairs and deans of both the major and minor fields of study.

- (d) Students must submit a completed declaration, change, or discontinuation of an academic minor form to the Office of the Registrar.
- (e) No student may declare a major and an academic minor in the same discipline.
- (f) No student may have more than two academic minors regardless of the student's major.

#### **SECTION AP320.6 AWARDING THE MINOR DEGREE**

- (a) Formulation of requirements for an academic minor originate from the faculty of the academic unit offering the minor.
- (b) The structured plan of study for the academic minor will consist of the following:
  - 1. A minimum of twelve (12) credit hours not included in the baccalaureate degree plan of study at the 200-level or above.
  - 2. The list of mandated courses (not elective courses) that upon successful completion will represent the depth of understanding and expertise sufficient to enable the student to appreciate the complexities and issues that are central to solve realistic problems and/or to contribute to the field.
  - 3. General Education Courses shall not be included in the academic minor.
  - 4. An average GPA of 2.0 or higher must be achieved for the courses within the academic minor plan of study.
  - 5. An academic minor plan of study shall not exceed eighteen (18) required credit hours.
- (c) The academic minor curriculum decisions must follow the procedures for establishing a major field of study, including approval by curriculum committees of appropriate departments, colleges, the University Academic Programs and Curriculum Committee (UAPCC) and signed by the Provost and Executive Vice Chancellor for Academic Affairs.
- (d) The academic minor may be offered only in a field for which there exists a corresponding major.
- (e) For a student to receive credit for an academic minor, the academic minor program must be approved and declared prior to completing an application for graduation.
- (f) Students must complete all coursework related to the academic major and minor before the University will award a baccalaureate degree.

## **SECTION AP320.7 TRANSCRIPTS**

- (a) The academic minor shall appear on the official academic transcript representing the additional coursework beyond the required major, but not on the diploma with one exception.
  - 1. A baccalaureate degree that has been officially approved by the University Academic Programs and Curriculum Committee (UAPPCC) and signed by the Provost and Executive Vice Chancellor for Academic Affairs may require the completion of an academic minor within the four-year structured plan of study.
- (b) At least seventy-five percent (75%) of the courses required for the academic minor must be recorded as courses completed from North Carolina Agricultural and Technical State University.
