DEPARTMENTAL CREDIT EVALUATION RESPONSE TIME

UNIT POLICY--ACADEMIC AFFAIRS

Undergraduate student requests for transfer credit are processed by the Office of Transfer Articulation in a timely manner, and are forwarded to the respective academic departments. Departments are required to process and respond to transfer credit requests within five business days. If no evaluation of the course(s) is received within five business days from the department(s), the Office of Transfer Articulation will enter the course(s) on the student's North Carolina A&T State University (N.C. A&T) academic record as elective transfer credit under that academic department's subject code. The elective credit can only be replaced if there is an equivalent N.C. A&T course; otherwise, the course will remain on the student's N.C. A&T academic record as elective transfer credit.
